The popularity of Modern Jive has taken it global over the last fifteen years and our fabulous venues along this piece of sunny Mediterranean coastline live up to the glamour and style expected of Marbella and the Costa del Sol...

...rapidly becoming known as the Costa del Jive.

JiveSpain is Spain's biggest jive club and we welcome people of all nationalities whether you can dance, can't dance or, when trying to dance, you find you have two left feet that want to fight with each other!

If you are on holiday here on the coast then you are more than welcome to come and join us as a visitor and go home with more than just a Spanish tan.

PLUS GREAT DANCE PARTIES - EVERY YEAR
